

Rack Tanks

Designed to Store Up To (4) Fluids in Our 15 Gallon Gravity Flow Dispense Tanks

Manufactured from UL Rated food-grade polyethylene, our space-saving 15 gallon capacity Rack Tanks feature a sloped bottom for efficient drainage of gravity fed dispense, a large angled fill port designed for easier filling, and two molded front inserts for labeling fluids. The translucent tanks display interior fluid levels, and come standard with aluminum handles for ergonomic transport and with a 3/4" polyethylene valve.

Position up to four Rack Tanks onto the powder-coated steel bases for point-of-use dispense to industrial, chemical and janitorial fluid applications.

The convenient systems are well-suited to help organize fluid storage areas in warehouses and smaller operations.

15 Gallon Rack Tanks & Bases

T15-1	Tank w/Handles, Valve - 14.4"W x 20"D x 18.75"H
T15-B1	(1) Tank, Valve & Base - 14.4"W x 20"D x 18.75"H
T15-B2	(2) Tanks, Valve & Base - 29"W x 20"D x 18.75"H
T15-B3	(3) Tanks, Valve & Base - 44"W x 20"D x 18.75"H
T15-B4	(4) Tanks, Valve & Base - 58"W x 20"D x 18.75"H

Castered Tank Rack Systems

T15-CR4	(4) Tanks w/ Valves	T15-CR8	(8) Tanks w/ Valves
