CLS Training & Certification Course

LE Brings Together Expert Instructor & State-of-the-Art Facility To Help You Build Foundation of Knowledge at Your Plant

Overview & Benefits

Certified Lubrication Specialist (CLS) is the only independent certification for the lubrication professional that verifies your broad lubrication engineering knowledge. Certification recognizes those individuals who possess current knowledge of lubrication fundamentals and best practices in lubrication and maintenance in industrial settings. Certified individuals must have at least three years of experience in the field of lubrication.

In addition to preparing you for the CLS exam if you choose to take it, this course provides you with the knowledge and understanding to be more effective in your job.

LE's training facility features tiered seating, two large video screens, Wi-Fi capability and other amenities.

Who should attend?

- Equipment operators
- Lubrication technicians & engineers
- Maintenance managers & supervisors
- Reliability engineers
- Operations managers
- Predictive maintenance technicians
- Manufacturing and industrial engineers
- Oil analysis personnel
- Lubricant consultants

Expert Instructor

LE partners with third party instructors who are knowledgeable, experienced and active in the industry, ensuring that you will receive an unbiased course focused on education and training.

The CLS course will cover all categories of STLE's Certified Lubrication Specialist Exam.

Course Content

- Fluid power

- Transportation
- Storage, handling & application
- Gears
- Lube fundamentals
- Lubrication programs

Wichita Course Details

Location: Lubrication Engineers Training Facility, 1919 E. Tulsa, Wichita, KS 67216

Schedule: 8 a.m. to 5 p.m. days 1-4, with optional STLE exam from 8 a.m. – noon on day 5

Cost: \$1,495 for 4-day seminar in Wichita (includes continental breakfast, beverage & lunch). Optional STLE exam on morning after class is not included in this class fee.

Register & Check for Dates: Online - <https://www.lubetechnologies.com/LE-Xpert-Training.html#cls>

Optional STLE Exam Registration

STLE requires that applicants taking the certification exam must attest to three years minimum experience in the field of lubrication. Further, in the event of a failed exam, a one-year waiting period will be required before retaking the examination

Qualified candidates should contact STLE, in advance of the training, at 847-825-5536 or go to www.stle.org to register for testing. The testing fee is \$440 for STLE members, \$590 for non-members.

Exam Preparation

After registering for the CLS course, participants will be sent the following pre-course material to enable them to start preparing ahead of time:

- CLS exam course preparation handbook
- List of key definitions
- Prewrite Q&A

Hotel Accommodations

Please make reservations at the hotel of your choice. Although accommodations are not included in the course fee, LE recommends Hotel at Oldtown (316-267-4800 | www.hotelatoldtown.com), which offers free shuttle service to and from our facility. For a list of additional hotels in the Wichita area, visit www.gowichita.com.

Private Group Training Details

Private group training can be scheduled for a 3- or 4-day seminar in Wichita or at your facility upon request with optional exam on the 4th or 5th day; contact us for a quote.
